Webmaster

Job Description

The post of Webmaster is an appointed post.

The purpose of the post is to develop and maintain Gadeside Rangers FC website in response to requests from the Core Committee the club members.

The website is hosted under the domain record of <http://www.gadeside.co.uk>.

The duties and responsibilities include but are not necessarily limited to:

- Reporting to the Core Committee when requested to do so
- Producing, if requested to do so, an Annual report for the AGM

Skills Needed

The technology driving Gadeside website has gone beyond that of non-professional web developers.

As a minimum requirement, for the current website designer, the post holder will require a background which encompasses and demonstrates:

- Strong knowledge of HTML, XHTML, DHTML, CSS and JavaScript
- Knowledge of website development software packages including Dreamweaver and MS Expression Web.
- Fundamental knowledge of database driven websites using, PHP and MySQL, and SMTP for e-mailing systems
- Knowledge of graphic media tools for digital photos and Graphics
- A good understanding of Search Engine Optimisation.
- An ability to work with a diversity of Football Leagues and Associations
- A knowledge of Football (desirable but not essential)
